## **JUA COVID-19 Protocol** **For AJC 2022** (Version 27 July, 2022)

## COVID-19 Protocol

Asian Judo Championships 2022, KAZ

(Ver. 25 JUL, 2022)

The purpose of this project is to protect everyone who participated in the JUA event and the people of the host country from the Covid-19.

### 1. Applicability

This protocol is strictly applicable to **all competitors, coaches, officials and JUA Executive members** who participate in the JUA Event.

### 2. Procedure

#### ◆ STEP 1. Before Travelling

- ▷ (All) 1 PCR test + Official negative confirmation report  
: Maximum 4 days(96hours) before arrival to the host country

#### ◆ STEP 2. Arrived in Host country

: **LOC Covid manager** – When the team arrives at the airport, the PCR test results must be checked immediately. **If the participants did not bring the PCR test results, the action shall be taken in accordance with STEP 2-1.**

PCR test on **arrival (Red bracelet)** → Hotel (isolate until negative result received)  
→ **Negative (Green bracelet)** → Partial Bubble

★ Partial Bubble: Only for training or purchase essentials. Visiting the host city for sightseeing or shopping, using outside restaurant is still not allowed during a competition.

#### ◆◆ STEP 2-1. Person who didn't submitted PCR test Results

PCR test on **arrival (Red bracelet)** → Hotel (isolate until negative result received) → **Negative (Yellow bracelet)** → Partial Bubble → **Antigen test**

(24h after Negative result) / **pay by own** → Negative (Green bracelet) → Partial Bubble

## ◆◆ **STEP 2-2. Person who has received Positive PCR test Results**

Hotel (isolate until negative result received) → Positive → Report to JUA Sports Director & keep confidence → Move to quarantine place → 7 days

★ This player/coach is not allowed participating in the competition even if the result of retest of PCR is Negative.

## ◆ **STEP 3. Before Weigh-in**

▷ (Competitors) Antigen test for athletes will be taken before their weigh-in  
: must be completed at least 1 hour before weigh-in

## ◆◆ **STEP 3-1. Person who has received Positive Antigen test Results**

: Report to JUA Sports Director & keep confidence

Check the weight-in a distinct space → PCR test (Red bracelet) → Hotel (isolate until negative result received) →

→ Negative (Green bracelet) → Partial Bubble

→ Positive → Report to JUA Sports Director & keep confidence → Move to quarantine place → 7 days

★ This player/coach is not allowed participating in the competition even if the result of retest of PCR is Negative.
